Spring Flowers

Monday, April 1, through Tuesday, April 30, during library hours, Glocester Manton Library

Age Level: All Ages

"Drop in" to the Glocester Manton Library and celebrate Spring! In April, we will be creating Spring flowers in our children's room.

Peter Rabbit Scavenger Hunt

Monday, April 1, through Tuesday, April 30, library hours, Harmony Library and Glocester Manton Library

Age Level: All Ages

"Drop in" to the Glocester Manton Library and the Harmony Library for a fun Peter Rabbit Scavenger Hunt. Peter Rabbit will be hiding in our children's rooms and will move to a new location each week. Each child, who finds Peter Rabbit, will receive a free Spring sticker and be entered to win a Spring gift basket.

POW! Science!: Dinosaurs! Fossils, Dino Digestion & More!

Tuesday, April 16, 11 a.m., Glocester Manton Library

Age Level: Children in Pre K-Grade 2

Learn about plant and meat eating dinosaurs, simulate dinosaur digestion in a "Whole Class" experiment, make two kinds of fossils, and play a fun game to find the other members of a dinosaur herd.

LEGOs at the Library

Wednesday, April 17, 6 p.m., Harmony Library

Age Level: Ages 6 and older

Grab your friends and meet at the Harmony Library to design your greatest LEGO creation yet! A special sweet treat will be provided to help fuel your creativity.

RI Computer Museum: Ozobot Game Lab

Thursday, April 18, 2 p.m., Harmony Library

Age Level: Children, 8 to 12 years old

Learn how to use the Ozobot robot to create your own game. Kids will learn about Ozobot, create a game out of everyday objects (e.g. cardboard, Playdoh, coins, library objects), and use examples to present their design to the group.
