Children's Programs

School Vacation Week

April 16–April 21, 2018

Monday–Saturday at Glocester Manton Library: Earth Day Make It Take It Come into Glocester Manton during library hours and make an Earth Day craft using upcycled materials and a variety of art media. **No registration is required for this program.**

Monday at Glocester Manton Library: Hot Wheels Racing at 11:00 a.m., ages 6 & up
Join the Lincoln Johnny Lightning Race Club and bring your Hot Wheels cars from home as well as use the race cars provided by the club on their super indoor track! Play and learn from the professionals! Register on our website: glocesterlibraries.org.

Tuesday at Harmony Library: Pow! Science! Dinosaurs, at 10:30 a.m., ages 4-8

Children will learn about plant and meat eating dinosaurs, simulate dinosaur digestion in a "Whole Class" experiment, make two kinds of fossils and play a fun game to find other members of their dinosaur herd! Each child will make an etching booklet of their favorite dinosaur fossils to take home. Register on our website: glocesterlibraries.org.

Friday at Glocester Manton Library: Project CHICK at 2:00 p.m., all ages

Join us for Casey Farm's hands-on chicken program. Children will be introduced to a live Dominique chicken and five chicks. Children will be taught how to hold and care for chickens. Children will also be able to touch a chicken and a variety of eggs. Register on our website: glocesterlibraries.org.
