

Glocester Libraries Present:

March Happenings for Tweens & Teens

String Beading: Tweens & Teens are invited to join in the beading fun at our second meeting. This month we will try our hand at making string beads as well as use some conventional beads to make and take home a pair of earrings, a bracelet, or a necklace. Monday, March 4 at 4:30pm Grade 4 & up; Registration is required (Harmony Library)

Teen Paint Night: Painting, food, and friends! What could be more fun? Receive step-by-step instructions to create three mini-canvas paintings of cactus while enjoying a Mexican fiesta. This free program includes all materials. Space is limited so register early! Wednesday, March 27 at 6:00pm Age 12 & up; Registrations is required (Harmony Library)

RIMOSA (Rhode Island Museum of Science and Art) Magnet Table: Feel the force! Discover the power of attraction by using magnets to move metal filings into your own creative designs and shapes. RIMOSA's magnet table will be here the entire month of March. March 2 through March 30. No registration required (Harmony Library)
