Evening Book Discussion via Zoom

Monday, July 20th 6:00

Join us for a delicious dinner followed by a lively discussion of *The Witch Elm* by Tana French. In this novel, Toby surprises two burglars who nearly beat him to death. Struggling to recover from his injuries, he moves to his family's estate to be caretaker to his dying uncle. When a skull is found in the trunk of an elm tree in the garden, Toby must confront the evidence that his past may not be what he always believed it to be.

Our discussion will take place outdoors if the weather is good or indoors in an area allowing for social distancing. Dinner will consist of delicious pre-wrapped or prepackaged delectables!
