## Evening Book Discussion & Dinner

Monday, July 18th 6:00 p.m. Harmony Library

Join us for a delicious dinner followed by a lively discussion of New York Times bestselling *Nomadland: Surviving America in the Twenty-First Century* by Jessica Bruder. Across the country, employers have discovered a new, low-cost labor pool, made up largely of transient older Americans. Finding that social Security comes up short, these invisible casualties of the Great Recession have taken to the road by the tens of thousands in late-model RVs and travel trailers forming a growing community of nomads.

**Registration is required.**  
**Copies of the book will be available at the Harmony Library by mid-June.**
