## **Nonresident Borrowers Policy**

Any out-of-state resident who does not own property in Rhode Island, or any Rhode Island resident living in a city/town, which does not fund an Ocean State Library (OSL), may apply for one of two different library cards. A full access card may be obtained for one year at a cost of \$185. This card provides access to all circulating materials found in OSL libraries either through interlibrary loan or visiting any OSL library. A second option is a local use only card. This card is valid only at Harmony Library and Glocester Manton Library. There are no interlibrary loan privileges, so all materials must be returned to the owning library.

***Updated yearly upon new cost calculations.
