

Youth Programs

February 2026

Please register for programs at glocesterlibraries.org. If you register and then are unable to attend, please call to let us know! Table crafts, take and make crafts, and scavenger hunts are available at both libraries during hours of operation.

Science with Ms. Jen- Simple Machines: Tuesday, February 10th @ 5pm (Glocester Manton)

Children ages 5 and up, we will be building and painting simple machines. They made need the help of a caregiver.

Note: Registration is required, please register with your child's name.

Peacock Storytime: Wednesday, February 11th @ 5pm (Glocester Manton) format):

Families and children of all ages, join us for a fun peacock storytime with local library friend Bill Carpenter! Listen to his story about how he came about making this feathery friend, and check out his peacock artwork. Pass around peacock feathers, and listen to the sounds they make! Afterwards, we will make a peacock craft!

Note: Registration is required, please register with your child's name.

Studio Glob Pottery: Tuesday, February 17th @ 11am (Harmony Library)

Children ages 8 and up, join us with Studio Glob to learn how to make ceramic vases! Each piece will be one of a kind. After the class, Studio Glob will take your artwork back to the studio to be dried and fired, and then after two weeks you can visit them in their shop free of charge to paint and take home your artwork!

Note: Registration is required, please register with your child's name. Students will be able to pick up and paint their artwork two weeks after class at the studio free of charge.

Play-Doh Pals: Thursday, February 19th @ 10:30am (Harmony Library)

Children ages 2 and up, join us to play with Play-doh! We have so much fun exploring different play-doh toy. Play-doh is a wonderful play-based learning tool for children.

Note: Registration is required, please register with your child's name.

Teen Paint Night: Monday, February 23rd @ 5pm (Harmony Library)

Youth in grades 6 and up, join us for a fun paint night!

Note: Registration is required, please register with your child's name.

Science with Ms. Jen- Sphero Bolt: Tuesday, February 24th @ 4:30, 5pm 5:30pm, 6pm (Glocester Manton)

Students from grades 3–5 can program Sphero BOLT+ to explore STEM concepts, create interactive stories, and design solutions to real-world challenges. This is a great introduction to robotics. Please register only for 1 of the 4 sessions offered.

Note: Registration is required.

Cloud Dough Snowman Drop In: Saturday, February 28th @10:30am-2:30pm (Glocester Manton)

People of all ages, drop by the library between 10:30 and 2:30 to make cloud dough and build snowmen. Program is first come first serve while supplies last.
